Prospectus 2018-19

Headteacher's welcome

Welcome to The Rise School. Thank you for taking the time to read our mini prospectus, I hope it provides you with some useful information about our school.

I am passionate about providing the very best educational opportunities in our school community. The Rise is a very special place for autistic children and young people to learn, thrive and be happy, working hand in hand with our families and carers.

Our school values are Be Kind, Be Resilient, Be Proud. They underpin our community and if you visit us you will see examples of these values in action recorded on our 'Kindness Trees' and celebrated through our rewards system which encourages our pupils to develop empathy and compassion. Our environment is one in which we all can feel safe and appreciated for our individual contributions.

Our pupils are some of the most vulnerable children in society and we are passionate about wanting them to blossom and experience success whilst developing confidence and strategies to overcome some of the challenges associated with their autism. I believe that we have a responsibility to ensure we equip our pupils with the confidence and skills to live their lives safely and successfully and go on to take their place within the local community and beyond.

I have the highest expectations and am very aspirational for each and every pupil in our care. We see academic success for our pupils as of equal importance to their social and emotional growth.

Helen Ralston
Headteacher

We constantly review our practice and provide staff training to ensure we are providing the best possible teaching and learning experience for our pupils.

Our "state of the art" building offers an enormous range of learning and social opportunities to our pupils. In addition to the basic core curriculum we provide a range of really exciting and beneficial learning opportunities such as Duke of Edinburgh awards, camping trips, yoga, learning opportunities outside the classroom and mindfulness. As our pupils go into Key Stage 4 (14-16 years) we offer a bespoke curriculum that will provide further opportunities from GCSEs to vocational pathways. I encourage staff to innovate and play to their strengths whilst offering additional opportunities for our pupils to achieve academic success and a personal fulfilment.

Ultimately I am so very proud of the pupils and staff of The Rise School, who together ensure that our school is a very special and exciting place for us all to be.

The Rise School

The Rise School opened in September 2014 under the Government's Free School programme. It is the first school to be opened by the Ambitious about Autism School's Trust, a Multi Academy Trust. The school is registered for pupils aged 4 – 18 years who have autism. At full capacity the school will have 96 pupils on roll.

At The Rise, we are preparing our pupils for the next stage in their lives from the moment they join the school. We believe this to be our core purpose.

We want our pupils to develop social and emotional skills **and** achieve academic success.

Central to this aspiration is our School Wide Positive Behaviour Support framework. This means that we seek to understand the reasons behind a particular behaviour, which may be preventing our pupils from accessing the community in its entirety. Our overall aim is to improve and enhance our pupils' quality of life, not simply stopping or preventing behaviours that challenge, but by finding the teaching opportunity in order to address the underlying lack of skills and teach socially appropriate replacement behaviours.

Our curriculum is divided into these zones:

- Personal/social development (including PSHE, Citizenship and Wellbeing)
- English/Literacy
- Maths/Numeracy
- Science
- History/Topic
- IT
- Vocational (Construction)
- Body (including PE, Swimming and Yoga)

Ofsted report
